Re: Your Request for Advice
Our File No. I-89-026

Dear Mr. Lancaster:

You have requested advice regarding application of the mass mailing provisions of the Political Reform Act (the "Act") 1 / as amended by Proposition 73 on the June 7, 1988 ballot.

QUESTION

Is a public service directory which includes a photograph of you subject to the prohibition on sending mass mailings at public expense?

CONCLUSION

A public service directory which includes a photograph of you may not be sent at public expense in a mass mailing.

FACTS

In past years you have mailed a public service directory to your constituents along with your legislative newsletter. The directory lists telephone numbers for public services in your district. The directory has your picture on it and states: "With the compliments of Assemblyman Bill Lancaster."

Government Code Sections 81000-91015. All statutory references are to the Government Code unless otherwise indicated. Commission regulations appear at 2 California Code of Regulations Section 18000, et seq. All references to regulations are to Title 2, Division 6 of the California Code of Regulations.

ANALYSIS

Section 89001 provides that no mass mailing shall be sent at public expense. The term "mass mailing" means over two hundred substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry. (Section 82041.5.)

Regulation 18901 clarifies that the purpose of Section 89001 is to prevent <u>elected officers</u> from using public funds to send out newsletters and other mass mailings.

Regulation 18901(c) provides:

- (c) A newsletter or other mass mailing may not be sent within the meaning of Government Code Section 89001 if:
 - (1) The name of the elected officer or his or her photograph appears on the document; and
 - (A) The elected officer exercises direction or control over the content, production, or distribution of the document, or
 - (B) The document is sent at the request or suggestion of the elected officer or his or her agent; or
 - (C) The document is signed by, or is designated as being from, the elected officer or his or her office;

In the present situation, your name and photograph appear on the directory. Accordingly, the document is subject to the mass mailing provision unless the regulation otherwise provides an exemption for such a document.

Subdivision (f) of Regulation 18901 exempts certain types of mailings from the mass mailing prohibition of Section 89001. One of these exemptions includes:

(7) Telephone directories, organization charts, and other similar listings or rosters which include the names of elected officers as well as other individuals in the agency, where the name of each individual listed appears in the same type size and typeface;

Section 89001 contains a broad ban on mass mailings sent at public expense. The exemptions to that ban are to be narrowly construed.

In the present situation, subdivision (f)(7) exempts telephone directories which include the names of elected officers in an agency, where the name of each individual appears in the same type size and typeface. The exemption does not specifically allow for photographs or statements indicating the name of the elected officer who provided the directory. Here, the directory contains your photograph and lists your name in larger type size and typeface than other listings. Accordingly, the directory is subject to the mass mailing prohibition, and may not be sent at public expense.

If you have any questions, please contact me at (916) 322-5901.

Sincerely,

Diane M. Griffiths
